Goa Human Rights Commission

Proceeding No. 54/2023

Daily Proceeding Sheet

07-03-2024
Sr. No. 4 Complainant again absent, though served afresh.

Respondent absent.

The matter had been fixed for reply and hearing. But no reply has been filed by the Respondent. Inquiry Report passed as under:

The Commission has gone through the complaint regarding the non-availability of the toilet facilities in the commercial projects at the vegetable market, modern market and the Mormugao Municipal Council market at Vasco.

The Commission finds that the complaint raises public issues due to severe lack of access to toilet facilities at the public commercial projects, affecting the human rights of the citizens.

Accordingly, the Commission recommends that the Respondent takes appropriate steps for providing toilet facilities in the public commercial projects within the jurisdiction of the Mormugao Municipal Council.

Copy of the Inquiry Report be sent to the Respondent, calling for their comments, including the action taken or proposed to be taken within a period of 60 days or on or before 06-05-2024, in terms of Section 18(e) of the Protection of Human Rights Act, 1993.

V/s

The Chief Officer Respondent.

Action Taken Report/Comments of the respondent Municipal Council to the complaint dated 18-08-2023

May it please your honour

The Respondent Council states and submits as under:

1. The Respondent Council states that the Complainant, Goa First, an NGO based in Goa has already raised the subject matter of the present complaint in another proceeding being Proceedings No. 14/2023 before this Honourable Authority. The complainant has merely and cleverly reworded the contents of the complaint in order to make it look as if a fresh cause of action lies in order to make this present complaint be entertained before this Honourable Authority.

2. The complainant, vide its email dated 18-08-2023, in the present proceedings has alleged that there is a serious lack of access to toilet facilities including commercial projects including the vegetable market, the modern market and the Mormugao municipal market as well as the fact that some of the existing product facilities have been converted into shops, presumably for revenue generation.

3. It is pertinent to mention that in the proceedings No. 14/2023, the very same complainant in this present matter, has raised the complaint regarding illegal occupation/encroachment of a municipal urinal structure wherein the complainant had alleged that the respondent Council had taken a resolution and had given the municipal urinal structure to one Mr. Tofik G. Bepari for sale of beef at a price below market rate inside. The complainant in the said proceedings, itself admittedly states the following: *"the council without making any other arrangement of urinal structure at the municipal market have left its occupants and visitors at the mercy of sulabh toilet which is 200 to 300 m. from the market building."* Hereto annexed and marked are photographs showing the new toilet as well as the condition of the old toilet. The same is marked as Exhibit A.

4. The above statement made by the complainant in proceedings No. 14/2023 is very critical since the Complainant is admitting the existence of another urinal structure in extremely close vicinity of the key commercial projects as well as various market such as vegetable market etc.

5. Therefore, the present complaint dated 18-08-2023 on the alleged issue of severe lack of access to toilet facilities in key commercial project cannot be taken to be the blind truth and in fact, bearing similarity to the subject matter raised in the proceedings No. 14/2023, the statement made by the Complainant has to be looked into as well. A copy of the complaint dated 18-06-2023, sent by email, by the Complainant is annexed hereto and marked as Exhibit B.

6. In such circumstances, the present complaint as such cannot be looked into on account of the grounds mentioned hereinbelow:

i) The present complaint dated 18-08-2023 has to be looked into and rejected after considering the complaint dated 18-06-2023 made by the Complainant in proceeding No. 14/2023 wherein the Complainant has admitted the existence of a sulabh toilet at a mere distance of 200 to 300 mtrs. from the market building.

ii) The conduct of the Complainant in making false statements before this Honourable Authority ought to be taken into consideration. The

Complainant has falsely averred that there is a severe lack of access to toilet facilities in key commercial projects when the Complainant himself has admitted the existence of a sulabh toilet at a mere distance of 200 to 300 mtrs. from the market building in proceedings No. 14/2023. As such, the present complaint cannot be entertained on account of the dishonest approach of the Complainant with unclean hands by misrepresenting or making false statements before this Honourable Authority.

iii) The present complaint dated 18-08-2023 on the subject matter of unavailability of toilet facilities bears a striking resemblance to the subject matter raised by the complainant in proceedings No. 14/2023 before this very Honourable Authority. As such, two petitions on the similar subject matter cannot be raised before the same authority or even before other authorities when the Complainant has already sought the remedy of restoring the municipal urinal structure that was converted into a shop premises among other reliefs despite the existence of another toilet facility very close to the market and other areas and which is presently pending before this very Honourable Authority.

7. Even otherwise, the sulabh toilet presently existing has 4 urinals for men, 3 for women and 1 bathroom. Furthermore, the present sulabh toilet is not more than 100 mtrs. from the old urinal structure that was later converted into a shop. Also for ladies, the necessary sanitary pad vending machine along with electric incinerator has been installed as well.

As such, the ease of access to the toilet facility has in fact been improved and upgraded by such installation of sanitary pad vending machine and the electric incinerator to ensure its clean and hygienic disposal.

8. In view of the above submissions, the complaint dated 18-08-2023 made by the Complainant ought to be dismissed with exemplary costs as it is submitted that the Complainant is merely seeking to file these complaint for his own benefits of pushing the complainant NGO into limelight at the expense of the Respondent Municipal Council as well as this Honourable Authority.

Also, such a practice on part of the Complainant has to be abhorred as well as all such attempts on part of the Complainant ought not to be entertained.
